More Than 300 Career Fields, Serving More Than 8 Million Heroes

At VA, it takes more than health care professionals to provide The Best Care

VA is a world class health care system run by a dedicated and talented staff. Administration and support professionals from more than 300 disciplines – human resources, finance, business, contracting, engineering – are a vital component of that team.

And as a VA administration or support professional, your opportunities are endless. By working for the largest, most technologically advanced integrated health care system in the Nation, you will have a wider range of opportunities and leadership positions at your fingertips; the freedom of mobility without loss of benefits if life dictates a move; and the incomparable pride that accompanies service to our Nation's Veterans.

An Unbeatable Compensation Package

VA offers a great compensation package to those professionals looking for a rewarding career in the health care industry.

- Competitive salary
- Work/life balance
- Stable work environment
- Flexible scheduling
- Workforce and leadership development programs
- Paid vacation, sick leave, and 10 Federal holidays
- Health and life insurance
- Federal retirement system
- Student loan repayment program (subject to funding availability)
